THE MINISTER OF FINANCE AND COMPANY AFFAIRS (SHRI JASWANT SINGH): The Government constantly reviews the situation arising out of the Iraq war and appropriate steps are taken in accordance with national interests and policy objectives. Measures were taken to insulate the economy from volatility in international crude oil prices. The Government, through our Mission at the UN, constantly monitors developments regarding the Indian export consignments shipped prior to the withdrawal of UN inspection officials from Iraq. In the post war scenario, it is our expectation that a lifting of UN sanctions on Iraq will offer greater opportunities for trade with Iraq.
